Whether it's a day when WFH isn't working, or a need to get away from the office to hunker down without interruptions, or the Internet went down...or all of the above...Day Passes give any member of your team the ability to show up, sign in and get to work in our coworking spaces. Monday – Friday 8:30-5:00 coworking access includes bottomless coffee, phone booths, gym use & more.

**3. Training & Networking**

Endeavor's signature *Collaborators & Cocktails* events are held 4 times/year with a speaker you'd usually have to see at an out-of-town conference. Past presenters include Marketing & C-Suite leaders from Nike, Ritz-Carlton, Chick-fil-A, Publix – you get the idea! You get to meet them in an intimate setting, with a drink in your hand & 80 of the best folks in town by your side. We also host members-only food-focused & networking events, plus our quarterly *Getting Down to Business* series, a lunch & learn-style session offering expert tools & tips to help grow your business and career.

**4. Opt-In Scholarship Support**

Our team meets promising students, YPs and members of minority communities who have a keen interest in an Endeavor Membership – but are financially unable to join at this point in their careers. So along the way, we've granted scholarships to support them. *While we are not a 501c3*, we'd like to do more of this "spot-scholarshipping" and would welcome you to join in this effort at any amount.
